COMING SOON!

NEW Parent Portal

We're excited to offer you a BRAND NEW online registration and payment management system!

Before the end of the fall semester, you will receive an email prompting you to set up a "Parent Portal" login on our website.

Through this secure application, you'll be able to:

- edit your family's account information
- set up and manage your payment method
- review our policies

As of January 1, this new system will require each dancer's account to have a credit card, debit card, or bank transfer information on file.

Parent Observation Week

Parents, you will be invited in to your child's classroom for a demonstration during the week of **December 3-8!**

We ask that you plan ahead for this special week so your dancer can feel the extra love and attention of your presence that day.

We can't wait for you to see what we've been working on this semester and enjoy this opportunity to take photos and videos!
